

Montana DEQ Methamphetamine Clean-up Program

REOH is an approved Montana Department of Environmental Quality (DEQ) Methamphetamine Cleanup training provider. Training is required by the Montana DEQ Methamphetamine Cleanup Program (MCP) to conduct methamphetamine lab assessment and/or remediation activities in properties reported to the DEQ in accordance with the Administrative Rules of Montana ([ARM 17.74.507](#)). Montana MCP has established decontamination standards and procedures for the cleanup of properties contaminated by the illegal manufacture of methamphetamine.

REOH will offer a course February 16-18, 2010 for contractors interested in fulfilling the requirements to become certified to conduct methamphetamine lab assessment and or remediation activities in contaminated properties.

Methamphetamine Contractor Course (\$500.00 per person)

* Prerequisite 40 Hour HAZWOPER - online certification accepted by DEQ

Date: May 17-19, 2010 8am-5pm

Course Location: Holiday Inn Express
Butte, Montana

An 8 Hour HAZWOPER Supervisor Course will be offered on May 20, 2010 if students are interested. MCP requires at least one HAZWOPER Supervisor be present at all times on a project under DEQ regulation.
